Happily Ever After

Maths

Yr1 and Yr 2: Place Value and Addition and Subtraction.

English

Traditional Stories and Fairy Tales.
Stories with predictable and patterned language.

Theme Overview

'Happily Ever After' is a thematic unit, based around fairy tales, with a key focus on literacy and drama. It is designed to enable pupils to develop a love of stories, as well as providing a vehicle for communication through creative arts work.

Learning pathway

INNOVATIVE: finding new ways and trying new things. Asking questions and generating ideas.

DECISIVE: identify right and wrong to make good choices. Express thoughts and feelings.

CREATIVE: solve problems, share ideas, empathise and reflect.

INDEPENDENT: select resources and equipment. Ask for help when needed and 'have a go'.

Art

3-D Form: sculpture with clay.

Wish you'd... talk confidently.

Design and Technology

Design a bag suitable for a fairy to carry things in.

Music

Perform 'The Ugly Duckling' song using all musical dimensions.

PSHE

Name calling, unfair teasing, bullying and finding help.

Computing

On-line safety using Purple Mash. Maze explores – Introduction to coding

Religious Education

Judaism: Jewish festivals and ceremonies, the Jewish Creation story and stories from the Jewish faith.

Physical Education

Dance: creating ways of moving for appropriate characters.

Drama

Use call and response to help develop a range of emotions in their voices. Create voices for familiar characters.

Wish you'd...talk confidently.
