'That's All Folks!'

Theme Overview

"That's All Folks!" is a thematic unit based around the history and development of animation and cartoons. It teaches the beginnings of animation, looking at zoetropes and flip books, before moving on to the dawn of the Disney age. Then, the process of animation is explored further, with an opportunity for pupils to exchange their own design ideas and create their own animated films.

Learning pathway

BRAVE I can challenge others' thinking, not always believing something just because everyone else does.

RISK-TAKER I can question my own as well as others' assumptions.

RESILIENT I can discuss issues of concern, seeking solutions to problems where needed.

PREPARED I can organise my time and resources, making sure I do the most important tasks first.
